Touch Screen Cell Phone – Jerry Owens

Topics of Discussion

- 1) **Tesoro Bi-Annually Magazine:** Ken was able to provide all attending members with a copy, it has a good question & answer articles.
- 2) **Fisher Backlog:** We discussed the reason for Fisher metal detectors being back ordered, it is due to supplier parts shortages per Outdoor Outfitters email.
- 3) **ENCMDA to Host Event at the Community Boys & Girls Club of Southport:** The club is organizing a day with the children to teach them about metal detecting and local historic events and finds. The event is scheduled for August 12th at 5:00 PM. KellyCo & 1st Texas have agreed to donate and reduce pricing for diggers & "Gold Digger" detectors that will be provided for the kids to keep. We need to raise as much money as we can to cover the costs.
- 4) **Congratulations Bob Correll:** Ken's Detectors received a call from a very distraught tourist wishing to purchase a metal detector immediately! Seems while vacationing on Oak Island she lost her 5K+ wedding band, Ken calmed her down and contacted club member Bob who went to her rescue. Bob was able to recover her ring within 5 minutes! Way to go Bob!
- 5) **Club Hunt in Salisbury NC:** Further discussions about having a club hunt hosted by Bob Correll, on 7 acres with over 200 years of history to discover event to be held in October.
