Fancy Flea Show

We want to thank everybody that came out to support us!

We want to thank everybody that came out to support us at the Fancy Flea Bottle & coin show. We handed out some flyers and hopefully we will get a few more followers. I wish we could have sold more, but we did have the opportunity to pick up some nice raffle & finds of the month prizes.

Ken's Detectors Web Site Update!

If you get a chance please check out Ken's newly improved web site at www.kensdetectors.com, he has upgraded his site to include new products such as Bounty Hunter and JW Fisher. We are also looking for pictures of your best finds to include on the web site, just send them as an attachment to the clubs email and we will include them on our "Customer's Finds" page. We have some really good used detectors available so please check out that page to review our inventory

Club Dues Needed

The club needs your support to continue bring exciting events in the future and our end of year dinner and awards ceremony. If you have not paid your 2010 dues of \$12.00, please do so by attending a club meeting or contacting Ken or Jerry directly. We appreciate your support and are working diligently to expand the clubs horizons in the future.
